RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In a Restriction Requirement dated February 4, 2005, the Examiner required restriction under 35 U.S.C. § 121 between:

- 1) Group I, comprising claims 5-11 and 32;
- 2) Group II, comprising claims 12-26;
- 3) Group III, comprising claims 27-29; and
- 4) Group IV, comprising claims 30-31.

The Examiner has also required an election of species if either Group I, II, or III is elected.

Initially, Applicants wish to thank the Examiner for the very helpful telephonic discussion of the Restriction Requirement conducted with Applicants' representative on February 23, 2005.

During that conversation, Applicants' representative requested the Examiner reconsider the present Restriction Requirement. Applicants proposed, and the Examiner agreed, that if presently pending claims 5-32 are subject to restriction under 35 U.S.C. § 121, then they be grouped as follows: 1) Group I, comprising claims 5 to 29 and 32, drawn to compounds and pharmaceutical compositions comprising those compounds; and 2) Group II, comprising claims 30 and 31, drawn to methods of treating Hepatitis C virus in a mammal or methods of inhibiting Hepatitis C virus polymerase.

Based on this new grouping, to which the Examiner has agreed, Applicants herein elect for prosecution on the merits, without traverse, new Group I, comprising claims 5 to 29 and 32, drawn to compounds and pharmaceutical compositions comprising those compounds. Additionally, Applicants elect species Compound A(153), (-)-2-(4-{2-[2-Cyclopentyl-5-(5,7-dimethyl-[1,2,4]triazolo[1,5-a]pyrimidin-2-ylmethyl)-4-hydroxy-6-oxo-3,6-dihydro-2H-pyran-2-yl]-ethyl}-2-fluorophenyl)-2-methylpropionitrile.

Applicants herein expressly reserve the right to prosecute the subject matter of non-elected claims 30 and 31 in future applications.

Last, Applicants hereby petition for any required extension of time. Please charge all required fees to Deposit Account No. 500329.

Respectfully submitted,

Date: February 25, 2005
